The VALUE
of
MEMBERSHIP

ADVOCACY

Membership in American Academy of Pediatrics-CA Chapter 3 (AAP-CA3) allows your voice to be heard locally and in Sacramento on advocacy issues related to pediatricians and children's issues from immunizations to reimbursement, from access to care to child safety. For information on State AAP issues, visit www.aap-ca.org.

Participation in chapter meetings and committees is the start to being involved in forging policy on the local, state, and national level.

You are our greatest resource.

Fellowship and networking

EDUCATION

Chapter members receive our bi-weekly electronic newsletter, "Coastal Currents", which has information on educational programs and issues that are important for pediatricians.

Chapter members have access to local AAP-Sponsored CME and Educational programs free of charge or at a discounted rate.

Breastfeeding
Childhood Obesity & Healthy Living
Developmental - Behavioral Pediatrics
(Including Screening and Referral)
Infectious Disease & Immunization
School Health
Young Physicians

FELLOWSHIP

The American Academy of Pediatrics represents over 50,000 pediatricians nationally. However, at the chapter level is where the connection begins.

Share ideas, frustrations, interests and concerns with fellow pediatricians, who have local interests and experience.

Our Chapter is proud to have representation from the many diverse groups of pediatricians in our area – from private practice to community clinics, from university centers to Rady Children's Hospital, from large managed-care groups to individual clinicians, from Lakeside to Oceanside, Chula Vista to Vista and even to El Centro. There is a professional "home" for you in the San Diego and Imperial Counties Chapter of the AAP.
